OBJECTIVE

The 3 main objectives set out for The Courage Fund Limited are:

- (a) To provide relief to SARS victims and healthcare workers and their dependents, and any persons affected by SARS.
- (b) To support any charitable purposes for the benefit of healthcare workers, especially in relation to the advancement of education, the protection of health and the relief of poverty, distress and sickness.
- (c) To support any charitable purposes for the benefit of the general Singapore community who may be affected by widespread infectious diseases.

RESERVES POLICY

The Fund was established during the SARS crisis of 2003 to honor all healthcare workers, especially those who had fallen ill or suffered because of SARS. It is currently ring-fenced to fund for the following principal programmes in alignment with the objectives of the Fund:

- (1) Education Grant for Children of Deceased SARS victims
- (2) Healthcare Humanity Awards
- (3) Set up a physical site to pay tribute of the SARS Incident that happened in 2003.

The Fund is committed to first meet the needs of the Education Grant scheme. Any remaining reserve will be utilized towards the other programmes except when there is an infectious disease outbreak, the remaining reserves shall be applied towards any outbreak relief cause agreed upon by the Board of Directors of The Courage Fund Ltd. In such an event, the usage of the Fund for emergency relief will supersede the usage of the Fund for the Healthcare Humanity Award.

As at 31 Dec 2017, the Fund has available reserves of more than \$10m and the high amount of reserves is deemed necessary as the Fund does not solicit for donations. The Board will review annually the amount of reserves remaining and the amount to be committed for the principal activities to ensure the fulfillment of the Fund's obligations.
